

**PRE-APPLICATION QUESTIONNAIRE**  
***All Applicants should begin with this questionnaire***

Please attach a resume and forward a one- to two-page cover letter addressing the following topics (all documents should be in PDF format):

1. Describe a recent insight / lesson that God has taught you (what, when, where) and how it has impacted your spiritual walk.
2. When facing a “challenging student,” how do you detect it and what do you do about it. Explain your responsibility for learning as compared to the student’s and parents’.
3. Describe a current trend, resource, or philosophy in your field that you have recently begun to investigate or use. What impact is it having?
4. Describe a recent experience with a teenager (if application is for middle school or younger please answer based on that age range) that gave you, or may give you, an opportunity for expanded influence or discipleship in the future.

*Based on current needs and anticipated alignment, we will encourage some who have completed the Pre-Application Questionnaire to complete a Full Application.*

*You are welcome to complete the Full Application at the same time you complete the Pre-Application Questionnaire and submit both together, with the knowledge that the Pre-Application Questionnaire will be used to determine whether the DCS Administration chooses to go forward with the application process using your Full Application. Submitting both together will not increase your chances of employment at DCS; nor will submitting only the questionnaire decrease your chances.*

*We look forward to working with you to determine if your gifts and talents are a good fit at Delmarva Christian Schools.*

**Please submit completed questionnaire to:**
